DETAILED ACTION

Election/Restrictions

1. This application is in condition for allowance except for the presence of claims 13-17 & 39-46 to an invention non-elected with traverse in the reply filed on 08-13-04. Applicant is given TWO MONTH or SIXTY DAYS from the date of this letter, whichever is longer, to cancel the noted claims or take other appropriate action (37 CFR 1.144).

The prosecution of this case is closed except for consideration of the above matter.

Allowable Subject Matter

2. Claims 1-12 & 18-38 are allowed.

The following is an examiner's statement of reasons for allowance:

Prior art of record neither teach nor make it obvious as a whole the claimed limitation of the instant application either taken alone or in combination. In particular, prior art references do not teach that a first insulated conductor disposed **within a semiconductor substrate**; a second insulated conductor disposed **within the semiconductor substrate**; and a third conductor disposed **within the semiconductor substrate and substantially surrounding the first and second insulated conductors**.

3. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Conclusion

4. The prior art made of record and not relied upon is considered pertinent to applicant's disclosure.

Hidaka (US 2001/0040274)

Ma (US 5,729,047)

Gaibotti et al. (US 6,133,621).

5. This application is in condition for allowance except for the above formal matters:

Prosecution on the merits is closed in accordance with the practice under *Ex parte Quayle*, 1935 C.D. 11, 453 O.G. 213.

A shortened statutory period for reply to this action is set to expire **TWO MONTHS** from the mailing date of this letter.
